

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

SRSP – Release of water from Sriramsagar Project for tanks under Saraswathi canal and Sadarmatt anicut - Permission – Orders – issued.

IRRIGATION & CAD (PW – MAJ. IRR. VIII.1) DEPARTMENT
G.O.Rt.No.688

Dated.6-9-2008.

Read:

From the ACE, SRSP Note on water availability at Sriramsagar Dam
as on 2-9-2008.

ORDER:

Government after careful consideration the availability of water in Sriramsagar Project Dam have decided to release the water from SRSP as noted below:-

- i) 1.40 TMC of water for tanks under Saraswathi canal in two spells to save the standing crops.
- ii) 2.00 TMC of water to Sadarmatt anicut at the rate of 300 cusecs per day for 75 days to save the standing crops.

2. The Administrator-cum-Chief Engineer, SRSP is informed that the above releases are only to save the standing crop for this year 2008-09 and it should not become a precedent.

3. The Administrator-cum-Chief Engineer, SRSP shall take action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
